VOYAGE
Le petite memoire

Rested and rooted in the tranquil tropical sun, our resort wear collection Voyage'23 takes you through a sweet memoire of a rejuvenating travel log. Inspired by the textures found in the nature translating into small details of our garments, and colors echoing serenity. The easy silhouettes and comforting natural materials takes you on a voyage of beautiful vistas.

A woman with long, wavy brown hair is sitting on a sandy beach, looking out at the ocean. She is wearing a bright blue, long-sleeved shirt. The beach is wide and sandy, with some footprints visible. In the distance, there is a piece of driftwood on the sand. The ocean is calm with gentle waves. The sky is a pale, hazy blue, suggesting a soft light, possibly at dawn or dusk.

*She lapped
against the shore,
restless like
the sea,
ready
for any adventure,
that blew along her way*

- Against the Shore by Atticus

*I chatter over stony ways, In little sharps and trebles,
I bubble into eddying bays, I babble on the pebbles.*

A woman with long, wavy brown hair is walking barefoot on a sandy beach at sunset. She is wearing a long, flowing dress with a grey top half and a black bottom half. The dress is blowing in the wind, and she has a serene expression with her eyes closed. The background shows the ocean, a line of trees, and a few people in the distance under a soft, golden light.

*I slip, I slide, I gloom, I glance,
Among my skimming swallows;
I make the netted sunbeam dance
Against my sandy shallows.*
